# Technical Parameters

	HSV 440A-CAM	HSV 440A-STEP
Method of operation	Intermittent	Intermittent
Speed	up to 50 bags/min.	up to 50 bags/min.
Maximum width of bag	51	51
Maximum width of foil roll	1,100 mm	
Electricity	3 x 400 V / 50 Hz	
Air pressure	0.6 MPa	

## Standard Equipment

- ❑ Intermittent motion
- ❑ Robust stainless steel construction for maximum reliability and durability
- ❑ Branded components which are readily available worldwide
- ❑ Servo-driven cross jaws
- ❑ Vacuum-driven film draw-down belt
- ❑ Automatic film centering

## Service & Guarantee

- ❑ Interactive spare parts catalogue for your specific machine
- ❑ 12 month / unlimited hours warranty
- ❑ Extended service intervals for reduced cost of ownership
- ❑ 24/7 service available

# Intuitive user-friendly interface

5  
languages

500  
programs

Access  
port for  
**USB**

Ethernet  
Connection

**VPN**  
router

Data  
Service

Optional  
Bar Code  
Reader

Standard  
Camera

- ❑ *BECKHOFF industrial computer with 12" full color touch screen and extended connectivity (USB, RJ45)*
- ❑ *Optional Allen Bradley control system*
- ❑ *Velteko software recommends operating parameters and displays interactive operational messages in your local language*
- ❑ *Audiovisual online support system service with IP camera for secure remote management and service analysis tools*
- ❑ *Instructional videos displayed on color touch screen*
- ❑ *Images from IP cameras located on the dosing metering device are displayed directly on the home screen*
- ❑ *Machine statistics available by default in the control panel*
- ❑ *Optional RFID system for easy identification*
- ❑ *Optional loading of parameters via barcodes*
- ❑ *Operational machine communication with superior systems*
- ❑ *VELTEKO DATASERVICE – Software tools for improved management and analysis of machine operation*

## More packaging machines from our range

### US Series

-  Up to 91 different types of bags
-  Every type of top seal folding
-  5 types of reclosing systems including TinTie
-  Packaging fragile products

### HSV360A-DUPLEX

-  Up to 360 bags/min.
-  4 different types of bags
